- **Highlights from this and other Meetings:**

(The Agent PSIG meets typically online between meetings)

- Intensive discussions regarding advanced Agent concepts, and what IoT and autonomous vehicles expect from Agents
- AgEnt, the joint AMP & EMP Submission is making good progress
- Asked ADTF to re-open LOIs, one key submitter not LOI'd on both RFPs

- **Future Deliverables (In-Process):**

- Plans for starting Agent PSIG meetings at OMG meetings (not Brussels)
- AgEnt Initial Submission planned for New Orleans
